

Forever For Awhile

FROM THE CD, "PHOENIX, TENNESSEE"

So this is going good
I like the way we're talkin'
I kind of knew I would

So let me ask you this
Would you mind if maybe we
Just jumped ahead and skipped

The part
Where all those expectations
Start

Chorus:

Tonight
I just wanna be with you
And not say something stupid
Where you have to say me too
Tonight
Wanna stumble on your kiss
And fall into that who knows you know
All I'm saying is
Been so long since I got lost in someone's smile
It'd be nice to have a little
Forever for awhile

Hey does that sound alright
If we just pretend as if
We waited all our lives

To be where we are right now
Forever's such a scary word
Anyhow

Repeat Chorus

Bridge:

Just the possibility that it's not
Just a lonely thing
Or something I've been wanting so bad

Chorus:

And tonight
I just wanna be with you
And do like people who still have some faith
In love would do
Tonight
Wanna stumble on your kiss
And fall into that who knows you know
All I'm saying is
Been so long since I got lost in someone's smile
It'd be nice to have a little
Forever for awhile
