

Ramblin' Rose

SINGLE RECORDED BY JENNI SCHAEFER

Hey girl with your small town dreams
They're not as small as they might seem
They try to keep you in one place
And all you wanna do is break away
Sit up straight speak when you're told
You better settle down before you're too old
Tryin' to please everyone else
You tried so hard you lost yourself

It's hard to leave every seed you've sown
But if you never try you'll never know

Chorus:

That you're free like the wind
You bloom in the light
Wild and innocent
No wall you can't climb
Without a little rain
Girl you'd never grow
No one can fence you in or tell you where to go
Cause baby you were born a ramblin' rose
Baby you were born a ramblin' rose

You're like a pearl in a shell waitin' to shine
But he's afraid of your light
So he keeps you to himself
Far away from everyone else
Yeah you thought he had the world in his hands
Well maybe there's a greater plan
And like a diamond in the rough
You'll brush off the dirt
Be polished clean and find your worth

More than the tears he made you cry

You're so beautiful when you the show the world your smile

Yeah show the world your smile

Chorus:

Cause you're free like the wind
You bloom in the light
Wild and innocent
No wall you can't climb
Without a little rain
Girl you'd never grow
No one can fence you in or tell you where to go
Cause baby you were born a ramblin' rose
Baby you were born a ramblin' rose

Chorus:

Cause you're free like the wind
You bloom in the light
Wild and innocent
No wall you can't climb
Without a little rain
Girl you'd never grow
So go on and let your beauty unfold
Cause baby you were born a ramblin' rose
Baby you were born you were born
Born a ramblin' rose
